

Together with accompanying papers.

Which were severally read and referred to the Committee on Federal Relations.

Also, the following :

EXECUTIVE DEPARTMENT,

Annapolis, March 7th, 1872.

*Gentlemen of the House of Delegates :*

I have the honor to transmit herewith, the annual Report of the Board of State School Commissioners for the year, ending September 30th, 1871.

WM. PINKNEY WHITE,

Governor.

Which was read, and, together with the report of the Board of State School Commissioners named therein, referred to the Committee on Education.

The hour having arrived for taking up the order of the day,

The House proceeded to the consideration of the unfinished business of yesterday, being the unfavorable report of the Committee on Corporations, upon

A bill, entitled an Act to repeal section 2, of chapter 187, of the Acts of 1868, entitled "an Act to incorporate the Broadway and Locust Point Steam Ferry Company of Maryland," and to grant, on certain conditions, the right to use the wharf, known as the County Wharf, and to repeal an Act entitled a supplement to said Act, passed at January Session, 1870, chapter 436, so far as the same apply to the use and occupation of the said County Wharf, and to provide for the extension and improvement of said County Wharf, and the reservation of the same, exclusively for the landing of such fruits, vegetables and other agricultural productions, as may be brought from the counties of the State, to the City of Baltimore, for sale or otherwise.

The question recurring upon concurring in the motion submitted by Mr. Henkle, to substitute the bill for the unfavorable report of the Committee.

Pending which,

Mr. Turner demanded the previous question,

Which was sustained,

The question then being, "shall the main question be now put?"

It was decided in the affirmative.
